

**California Escrow Association  
Board of Directors**

Report by Donna J Inman, CSEO, CEI, SASIP

I had the honor of representing EASGV on the following committees this past year:

**Education Committee**

Portfolio Chair: Alma Rushing  
Chair Education Committee: Elizabeth McGovern  
CEA News Magazine: Debi Peters

**National Affairs Committee**

Portfolio Chair: Rosanna Medeiros  
Committee Chair: Lena Signor

**Professional Designation Committee**

Portfolio Chair: Colleen Graves  
Committee Chair: Janeane Arildsen

The Professional Designation Committee in 2019 hosted 5 tests. The Committee launched online testing for CEI, CEO and CSEO for the true/false and multiple-choice sections of the exam. And provided mentors for each approved test applicant.

The Education Committee continued to provide webinars to our members and others.

The National Affairs Committee serves as the liaison with the American Escrow Association, MISMO, PRIA and others. AEA held its Annual Conference at the Westin in Long Beach this past June. In March the AEA Executive Board spent a week meeting with the CFPB, NAR, ALTA, MBA, FinCEN and others.

**Wishing you a very Happy and Prosperous New Year!**
